Lightyear Financial Ltd and Lightyear Europe AS

Target Market matrix

Version 1.1

This applies from 15.08.2023.

Information about Target Markets

Please note that Lightyear Financial Ltd ("Lightyear") and Lightyear Europe AS ("Broker") cannot fully evaluate the target market for financial instruments, since those are available solely at your initiative and therefore Lightyear and Broker does not have sufficient information available in regard to you to ensure a full target market assessment. Due to that, your protection decreases as there is no certainty that an instrument is compatible with you.

The definitions of specific values for each criteria are further specified below
--

Criteria	Options	Definition					
	Retail	All clients who are not professional clients or eligible counterparties					
The type of clients to whom the product is targeted	Professional	"Per Se" Professional – Clients who fall into one of the categories under Section 1 of Annex II of the MiFID II Directive (regulated financial institutions, large corporate entities, collective investment schemes, government bodies etc.).
